Jeanice Mitchell,

Your application for approval of "Title: Contemporary considerations for management of Pelvic Girdle Pain: Pregnancy and Postpartum" has been considered. It is my pleasure to inform you that sponsor approval has been granted for 4.00 continuing competence unit(s) (CCUs). Your approval begins on 2022-01-10 and ends on 01/10/2024. This course may be offered at multiple times and locations without the need to obtain additional approval. Your course approval number is 75623TX. This approval number is valid until the end date listed above and may not be used after the approval period has ended. The following statement may be used in publicity to communicate your course's approval: "This activity has been approved by the Texas Board of Physical Therapy Examiners for 4.00 CCUs for PTs and PTAs."

The Texas Board of Physical Therapy Examiners mandates that course sponsors must:

- * Verify that all certificates are complete and include the sponsor name, name of the course, participant's name and Texas license number, Texas approval number, amount of CCUs awarded, date and location of the course, and the signature of an authorized signer
- * Notify the TPTA and submit the appropriate application if any changes are made to the course content, objectives, instructional methods, CCUs, or speakers
- * Maintain records of each licensee who participates in the program for a minimum of four years, and provide these records to the TPTA upon request
- * Only provide approval numbers to course participants who have received credit by completion of all course activities

Any questions regarding your course approval can be directed to ccapsupport@tpta.org.

Respectfully yours,

Bryanna Washington
CCAP Administrator
